

COMMUNITY EMERGENCY PREPAREDNESS INFORMATION

1. In your internet browser, enter the URL: <https://sjcornerstone.com> to visit the Cornerstone Condominiums website
2. Select “EMERGENCY PREPAREDNESS” in topmost menu. Note...
 - a. Page is an outline of Emergency Preparedness organizational structure.
 - b. List of **Neighborhood Coordinators** with link to their protected page.
 - c. Paragraph defining **block captains** and how to identify them on a resident password protected page revealing neighborhood maps showing names of residents and block captains marked with an *. Ends with “Block Captains click here” link requiring an exclusive password which also gives access to resident maps plus database information, copies of the emergency response plan, forms, etc. with which they can assist residents in their blocks.
 - d. Links to potentially useful resources for condominium **residents** including maps with resident names, the Emergency Preparedness (Response) Plan, Emergency Shutoffs for utilities, and to a webpage of suggested actions (target goals) and an alphabetical list of links to other resources:
 - i. Government
 1. CDC – Centers for Disease Control and Prevention
 2. Homeland Security
 - ii. Community
 1. The Church of Jesus Christ of Latter-Day Saints
 2. National Safety Council
 3. Red Cross
 - iii. Commercial
 1. Amazon
 2. Costco
 3. Emergency Essentials
 4. Legacy Food Storage
 5. Sam’s Club
 6. Walmart
 7. Wise Company
 - e. Description and maintenance of the confidential **database** of resident information.
 - f. Link to this document.
