

Resumé of Wayne Davis Williams

Born on November 5, 1942 in Milwaukee, Wisconsin

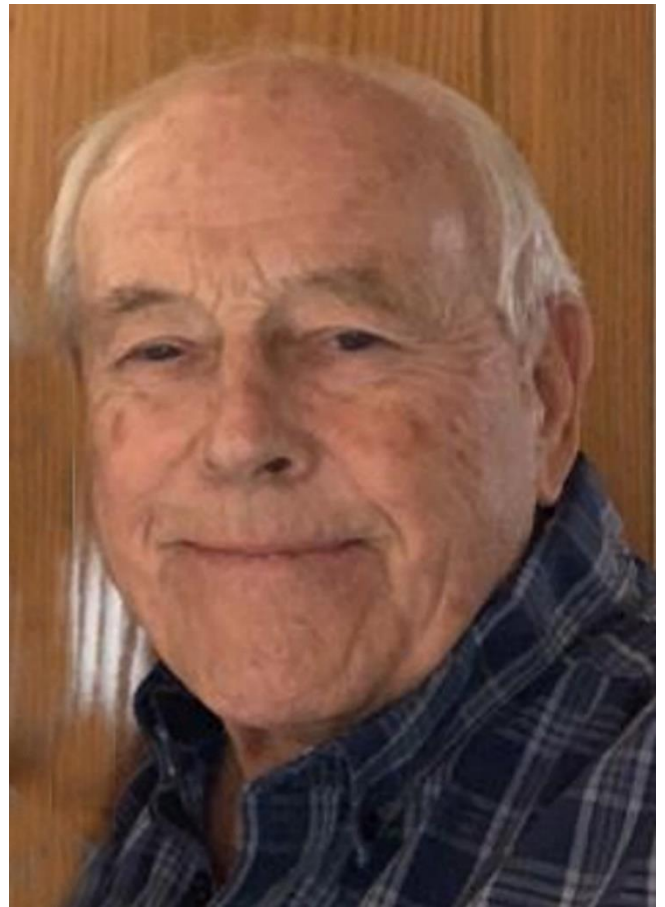

In the year 1954 my family moved to Southern California where I attended Junior and Senior High School in Sunland/Tujunga California. The School was part of the Los Angeles City School District. Graduated from High School in the summer of 1960.

In 1960 my family moved to Santa Maria, California. I joined them in 1961.

In 1963 I married my first wife until our divorce in 2003. We had seven children; 5 sons and 2 daughters. We lived in Saugus, California for 26 years. During that time, I was employed as a Police Officer for nearly 27 years in the City of Glendale, California. I retired at the rank of Police Lieutenant on December 30, 1990. During my time with the police department I earned an Associate in Science Degree from the College of the Canyons in the Santa Clarita Valley; also, I earned a Bachelor of Independent Studies from Brigham Young University in 1980.

My family moved to Cedar City, Utah in 1993. I earned a Masters in Secondary Education degree from Southern Utah University while teaching Criminal Justice Courses. I was an adjunct instructor until 1998 when I was hired as a full-time faculty member. I was promoted to Assistant Professor in 1999. I retired from SUU in 2015 with Emeriti's status.

In 2003, after my divorce, I met Janet Winger Hansen. We shared a miraculous courtship and were married on December 13, 2003. We lived in Cedar City, Utah until 2019 when we moved to Murray, Utah in order to care give Janet's aging parents. In 2023 we moved to South Jordan and enjoy

the Condominium Community we live in here.

I enjoy beautiful music and have sung in a number of choirs. I have also sung as a soloist at funerals and weddings. I love stream fishing, hiking, camping and shooting guns. I was a firearms instructor for over 40 years. I also trained as a martial arts instructor for many years. I enjoy riding my Harley Davidson Motorcycle too. I enjoy reading books with my lovely wife Janet.

Some of these hobbies and interests in my life are past tense due to health issues and the aging process.

Please feel free to contact me for any additional information regarding my time here on the earth.

Thank you,

Wayne
